

Ranch Recreational Facility

(Rules and Regulations)

Revised June 12, 2006

- 1 Only Ranch Property Owners can use this facility. Each residence can have up to two (2) parking spaces as long as space is available.**
- 2 All stored items must have **Green Tags** identifying the owner.**
- 3 All vehicles and watercraft must have current license tags.**
- 4 Long (at least 25 feet) RV's and Travel Trailers must be parked on the left-hand side (North) of the facility in designated parking spaces (**Yellow Tags**).**
- 5 Short (less than 25 feet) vehicles must be parked on the right-hand side (South) of the facility in designated parking spaces (**Yellow Tags**).**
- 6 Each vehicle must be parked close to the fence at approximately a 70-degree angle using only one parking space.**
- 7 Canoes should be placed on the canoe rack near the front (West) fence.**
- 8 Elk fencing and metal posts can only be stored along the front (West) fence and the back (East) fence.**
- 9 Wood, trash cans, and other miscellaneous items (**Red Tags**) are not allowed.**
- 10 Cars, trucks, and camper shells are allowed only if space is available.**

Exceptions to the above rules will result in removal at the owner's expense and/or a \$25 fine and additional fines if no corrective action is taken.

Contact Bob Canning (382-0022), DeWayne Wiskur (259-9604), or Jerry Zelenka (382-8608) for green and yellow tags, keys, and assistance.
